QB = To Be Verified/Questioned Ballots

The Questioned/To Be Verified ballots were verified by the Maricopa County Elections Department and merged and tallied with the precinct/absentee unofficial results.

The number of ballots cast represents 21.0% of the registered voters.

A brief title of the proposition voted upon by the qualified voters is as follows: Increase in the rate of transaction privilege and use tax in the City of Scottsdale by two-tenths (.2) of one percent (1%) to acquire land for a McDowell Sonoran Preserve.
